### TRADES DAY AGAIN BRINGS CROWD.

Hondo was thronged with people again Wednesday, the occasion being the Fourth Trades Day.

Seven premiums were awarded this time and were distributed as follows:

First, a heifer to D. W. Wiemers.

Second, a pig to L. A. Saathoff.

Third, a pen of chickens to Fritz Senne.

Fourth, \$10.00 in gold to Mrs. Otto Grell.

Fifth, \$5.00 in gold to C. W. Gilliam.

Sixth, \$5.00 in gold to Robert Breiten.

Seventh, a blanket to Joe Brucks.

This seventh premium was donated by the Allerita Loomis Players for this special occasion.

It looked like every body and his wife was present and there were several thousand tickets. But with all that the first number drawn, 101,622, failed to show up, and someone lost a valuable heifer by not being present to claim her.

Ask your merchants for Trades Day tickets and be on hand at the next drawing the second Wednesday in January.

Joe W. Geant of the French Settlement had the misfortune of cutting off three fingers last Saturday evening in Castroville, while watching Ferdinand Tschirhart manipulate his homemade air craft. Seeing the danger of several small children from the whirling propeller, Mr. Geant attempted to pull the little watchers away, getting his hands caught in the rotating propeller of the plane, severing his fingers, one from the right hand and two from the left. He was brought immediately to the Hondo Hospital where he received treatment, and was able to return home Sunday afternoon.

Among those from Hondo to witness Eugene O'Neill's great stage success, "Strange Interlude," at the Municipal Auditorium in San Antonio Monday night were Mr. and Mrs. O. H. Miller, Mr. and Mrs. Earl Boon, Mesdames Elmer Leinweber, O. B. Taylor, Fletcher Davis, Misses Bess and Lillian Brucks, Dela Mae Adamcik, Anne Davis and Vera Lee Cook.

Milton (Buster) Rath, who accidentally shot himself in the leg while hunting several weeks ago, improved so rapidly that he was able to be moved home Monday from the Santa Rosa Hospital in San Antonio, where he had been taken for treatment. His friends will be glad to see him up and about in a few weeks.

Do your Christmas shopping now. We have many lovely gift items. For gifts or for your own use be sure and see our Dextral Silk Hose, Boxed Handkerchiefs, Men's Ties, Perfume, Stationery, Boudoir Slippers, Berets, Mittens, Toys of all kinds and lots of fresh candies. HEYEN'S STORE.

Mesdames O. B. Taylor, F. H. Schweers and Fletcher Davis were San Antonio visitors Wednesday. They were accompanied by Miss Anne Davis, who read a paper on parliamentary law before the Moyer Scholarship Society of O. L. L. College, Wednesday night.

The Medina County Council of the Parent-Teacher Association will meet with the D'Hanis P. T. A. at the D'Hanis School building at 2 o'clock Saturday, December 13. The interesting and instructive program printed in our last issue will be rendered.

Mrs. Robert De Montel and son, Charles De Montel, and Mr. Edgar Hans drove over from Castroville Friday to hear the Seguin Lutheran College Choir concert. They were guests of Judge and Mrs. H. E. Haass.

John Louis Mechler of A. & M. College and his room-mate, Earl Duhan of Sour Lake, spent the Thanksgiving holidays with Mr. and Mrs. J. L. Mechler.

Why not make a Christmas present to your wife of an "Only One Iron." Sold by Wm. Brieden, Castroville, Texas. 30-3tpd.

### NEW OIL ACTIVITY.

The Wildcat Lenox No. 1 on Tom J. Bendele farm was baling pure oil today in the presence of a party of interested prospectors. This well had to stop baling some time ago owing to the wire breaking and the baler dropping into the hole, and owing to the fact that they wanted to let the well rest.

Geo. L. O'Neill, promoter, is well known to the people of Medina County for actually keeping the well drilling for over 12 months and financing said well. He shows his faith that he does believe there to be oil in this section, and has come back and within sixty days or less will put down another well regardless of the showing from Lenox No. 1, and is in hopes now of a commercial well.

The driller of said well is a famed driller of wells in Mexico and has brought in many big wells. His name is Jack Trumane.

The concern has only 200 acres under lease, but promise of same land owners of a per cent if he brings in a commercial well.

### P. T. A. MEETING.

The Hondo Parent Teacher Association met at the high school, Monday, December 8, and was entertained by the grammar grades with a delightful Christmas program. In the business session it was decided to buy cups and saucers for their kitchen; delegates were named to attend the County Council meeting at D'Hanis Saturday; and the Treasurer reported all dues paid, \$32.50 sent to the State Treasurer, and all bills paid. Mrs. O. A. Fly and her committee, as hostesses, served delicious fruit salad and hot tea. The sixth grade was presented the book, as it was most represented by mothers.

### THE GREEN TAG.

#### DID YOU EVER STOP TO THINK?

By Edson R. Waite, Shawnee, Oklahoma.

THAT the ambition of the business men of your city is to make it the best city in that section.

They realize that it takes better business to make a better city and that mere wishing never gains anything for a city, nor does it bring new dollars to aid in its development.

Your business men back their confidence in the present and future of the home city by investing their money in it.

Now is the time for some of the citizens of the home city to remove their "smoke screens" and let their neighbors know where they stand. If they are for the home city, they should say so by both words and actions.

No man should pretend to be a home city booster and then spend his money in some other city.

The citizens who build cities are the ones who keep their money circulating in the home city.

MONEY SPENT AT HOME HELPS TO BUILD YOUR CITY.

MONEY SPENT AWAY FROM HOME BUILDS SOME OTHER CITY.

## THE INCORPORATION

As suggested by the Editor of the Anvil Herald, we venture a few thoughts as to the propriety—or impropriety of incorporating Hondo by our vote to be polled on Tuesday, the 23rd of this month.

When the effort was made for an election a few weeks ago, I was "on the fence" and did not get down in time to vote.

But I am off the fence now, and have a few words to say, which I trust will engage the serious thought of all those interested.

First, I believe our town is too few in number, and our financial resources and present income is entirely too small, for the probable increase of financial responsibility as a result of the incorporation.

Second, closely connected with the foregoing line of thought, I would call the attention of our citizens—if indeed, such has never crossed their minds, as yet—that these are "Perilous times" which we are living in touching the raising of ready cash; and the unrest of the nations and the lack of confidence and hope, as to the financial prospects of the future, on the part of our great financiers throughout the world tell us plainly, that the end of the "peril" is not yet.

Who wants to rush into great and prolonged financial obligations under the present conditions?

Third, we wish to say that on two lots in Cleburne, Texas, and six small lots in Quanah, Texas, I pay each year approximately as much City Taxes alone as for state and county. Besides the city incorporation levies a special additional tax for "cleanup" purposes. And I am told by those who claim to know, that about the same prorata of city taxes, compared with the state and county taxes, are collected by the average town or city incorporation throughout the state.

Are we ready for the doubling of our present rate of taxes? Not I. If we should thus raise our taxes, as a natural consequence, the rent rate of all property within the incorporation would have to advance very material-

### BIRTHDAY PARTY.

On the evening of December 9, 1930, a surprise was given by the children of Adolph Nietenhoefer on his 80 year birthday, at Mr. and Mrs. Henry Nietenhoefer's residence.

Those present were Mr. and Mrs. H. Nietenhoefer and family, Mr. Charly Nietenhoefer and family, Mr. Louis Nietenhoefer and family, Mr. Fritz Nietenhoefer and family, Mr. Willie Nietenhoefer and family, Mr. Chris Nietenhoefer and family, Mr. Robert Nietenhoefer and family, Mr. Emil Lindeburg and family, Mr. Charly Lindeburg and family, Mr. Arnold Nietenhoefer and family and Mrs. Henry Bohlen.

The evening was spent in conversation and playing and all brought him a nice gift. At twelve o'clock Mrs. Henry Nietenhoefer served a nice lunch. And after twelve o'clock all departed for their homes, wishing their father many more such happy birthdays.

One of the Family.

### NEW PHILCO AGENCY.

I have taken over the agency for the famous line of Philco Balanced Unit Radios after having several demonstrations of higher priced radios.

There are three classes:

The 7-tube Baby Grand Console at \$88.00.

The 7-tube model 77 Low Boy with the marvelous Tone Control \$128.00.

The 9-tube model 96 Low Boy with marvelous Tone control and automatic volume control \$149.90.

9-Tube model 96 High Boy at \$169.40. All prices complete. HONDO RADIO SUPPLY, Herman Weynand, Owner.

### THE GREEN TAG.

## WHY NOT GO TO CHURCH?

### SECO COMMUNITY PARENT-TEACHER ASSOCIATION.

Members of the Seco Community Parent-Teacher Association enjoyed at their regular meeting, December 5, a pleasing program rendered by visitors as follows:

"Texas, Our Texas," by audience.

"Rendez-Vous," violin solo by Miss Ethel Rothe.

"The Book-Canvasser," monologue by Mr. Alphonse Boog.

Saxophone Solo by Mr. Joe Williams, accompanied by Mrs. Williams.

"At the Soda Fountain," reading by Mr. W. E. Albrecht.

Popular Songs by Misses Grace Zinsmeyer, Cornelia Koch, Lucy and Sarah Rothe.

Mr. M. J. Scott of D'Hanis Public Schools, addressed the club and invited the members to attend the Medina County Council meeting December 13. This invitation was repeated by Mrs. Fred Rock, president of the D'Hanis P. T. A.

During the business meeting, at which Mrs. Louis Pichot presided, the club decided to have the annual school Christmas tree on the night of December 19, when a program will be presented by the pupils. The president heartily thanked the visiting performers for their interest and Mr. Albrecht responded.

The hostesses, Mesdames H. C. Lothe and Herman Poerner and Miss Tina Rothe, served tuna sandwiches and hot coffee.

Additional guests from D'Hanis were: Mrs. Alphonse Boog, Mrs. W. E. Albrecht, Mr. Otto Rock, Mr. Fred Rock and Miss Carrie Langfeld.

The program for the meeting in January is being prepared by Miss Margaret Lutz. A playlet by the junior members will be among the attractions.

### A CHANCE TO FLY.

A thrilling parachute and stunt flying exhibition will be given Saturday and Sunday, weather permitting, at King's Field, Hondo, by Carl Hughes, pilot, and Flake Clauswitz, parachute jumper, both of San Antonio.

Carl Hughes is remembered as the first pilot in this section of the country to fly a glider. He has carried thousands of passengers without injury to a single one. Hughes will entertain with stunt flights each day.

Clauswitz will make a parachute jump Sunday afternoon about four o'clock. This young man has chosen this unique method of paying his way through St. Mary's University, where he is a student.

Passengers will be carried on flights over the city both days for one dollar each.

In case of rain the flight will be postponed until next week-end.

### THURSDAY BRIDGE CLUB.

Mrs. L. E. Heath was hostess to the Thursday Bridge Club and a few guests, Thursday afternoon, entertaining with bridge. The living room was decorated in a profusion of lovely roses in vases and baskets.

Mrs. O. B. Taylor received a card table for high score prize, and Mrs. J. M. Finger a cream ladle for low prize. Guest prize, a strand of beads, was won by Mrs. J. G. Barry.

A salad course and coffee, a delicious repast, were served by Mrs. Heath to the following: Mesdames R. J. Noonan, J. M. Finger, Horace Bradley, T. B. Knopp, H. J. Meyer, O. H. Miller, Earl Starnes, W. H. Smith, O. B. Taylor, J. G. Barry, Jack Lacy and Miss Dela Mae Adamcik.

### THE ALLERITA LOOMIS PLAYERS.

The Allerita Loomis players completed a three night stand here Wednesday night and moved to Castroville Thursday where they are showing the balance of the week.

This is a nice clean company of players and they put on several good shows to a well filled tent, and pleased their audience throughout.

If you enjoy comedy drama where the human element is alive and moving before you or if you like to laugh at clever vaudeville cracks do not miss seeing this company when you have the opportunity.

REV. J. T. HORGER.

THE GREEN TAG.

Few persons think things through.

If everyone reasoned this matter of Church-going to its logical conclusion, there will not be many vacant pews, and a widespread demand for more churches would speedily arise. The churches of Hondo could not begin to accommodate the people of this section in simultaneous services.

The reason people do not go to Church is simple. People do not stay away from church because they are opposed to religion or to the Church. Far from it. Nearly everybody believes that the Christian Church is absolutely necessary to our civilization. If its existence were threatened, the great mass of people would fight for it.

But by some curious kink in their mental process many non-Churchgoers fail to perceive that if everybody else followed their example—and every honest person grants others the right to do as he does—the Churches would quickly pass out of existence.

Every Non-attendant upon religious services virtually votes for the elimination of the institution from society. Think on thy way.

If a person believes that the world needs the Church, he has but one clear, unmistakable and unanswerable way of stating his position. That is by regular Church attendance. The man who goes to Church stands for an indispensable institution even as a good citizen stands for the state by voting.

Of course, that is not the best reason for church attendance. We go to church primarily to express our belief in God and to do Him reverence. The loftiest truth about man is that he is made in the image of the Divine and has a capacity for fellowship with the Infinite.

Worship is the highest function of which human nature is capable.

The world does not know much about creeds, but when it sees a person attending divine worship it understands him to say, by his actions, "I believe in God."

Thoughtful persons stand for the Church, also because the Church stands for the best things. The Church-goer lines up with the forces which make for righteousness. He is on the side of the people who want to live the noblest lives themselves, and who are trying to help this needy world do the same.

The most ancient agency of human service on earth is the Christian Church. The churchman has a part and shares in the world wide lift of the race to the Divine purpose.

They who would make their lives count should be counted among those upon whom the Church may count.

The Sabbath is the Lord's. Use it to commune with Him. You will be better prepared for the duties of the coming week by spending the Sabbath in the right way, by attending church.

Go to your church Sunday; if you have no church you will find a hearty welcome waiting you at the Methodist Church. The pastor is trying to help each one to better understand and to fit himself for life.

Sunday School at 9:45, come. Subject morning sermon, "Let Your Light Shine."

Evening subject, "The Counterfeit."

Pastor,  
P. E. LANCASTER.

### "A CHANCE TO KICK IN."

We are authorized to state that the funds for maintenance of the night watchman, street lights, etc., is exhausted and about four hundred dollars is needed to carry the work to the end of 1930. Messrs. H. F. King and Elmer Leinweber have been authorized to collect the necessary funds, and if you have not "kicked in" or if you are behind on your usual quota of former years you have a chance to do something material for your town by seeing one of these gentlemen and handing them your contribution.

Do your share in this work and do not "leave it for George."

### TAKEN UP.

I have taken up one cow, branded with combination brand on left side and also on left hip. Owner can recover property by proving identification according to law and paying all costs.

## Take the Right Route

The rich can spend money and last quite a while. Can live in great splendor and put on the style; But the rich have license to live rather high; While those without means had better not try. So if you are trying to live like the rich, And you are not able, then you better switch. To the manner of living your income will bear. Those who mimic the rich never get anywhere. The HONDO STATE BANK has found beyond doubt When you live too high you take the wrong route.

## TEXAS AND TEXANS.

By  
Will H. Mayes  
"All Texans for All Texas"

## Learning from Georgia

Texas can profit from experiments  
made in other States. Soon after the  
Colquitt County, Georgia, farm-  
ers about all broke as the re-  
sult of continued cotton farming.  
Farmers and farmers held a meeting  
to decide how to avoid complete  
bankruptcy. The bankers said they  
did not continue advances to farm-  
ers unless they agreed to a program  
of diversified farming. Each farmer  
pledged to devote at least 10  
acres to corn, velvet beans and run-  
ners, the peanuts for the  
to root up and eat; 5 acres to  
followed by peavine hay; 5  
acres to sweet potatoes, cane, millet  
and home garden; 3 acres to water-  
melons, tobacco or Spanish peanuts;  
3 acres to garden truck; 5 acres to  
staple cotton; 3 to 5 acres to  
corn. Each farmer was to main-  
tain from 3 to 5 milk cows, 2 brood  
sows and 50 purebred hens. The  
farmers and merchants agreed to see  
a market for all products was  
held every day at fair prices.  
The farmers sold \$52,100.  
of farm products and \$2,640.  
worth of hogs. Some such plan  
in Texas would soon enrich  
farmers. The banks and mer-  
chants can bring it about if they will  
try.

Cut Senate Expenses  
Some time ago this columnist sug-  
gested to Lieutenant-Governor Witt  
the place to begin his economy  
program was in the State Senate.  
Following a pre-session meeting of

a number of senators in Austin, it  
was announced by Sen. Walter  
Woodward that the Senate would cut  
out all unnecessary employees and  
keep at work those retained. There  
were during the last session about  
three times as many employees as  
before, and the number can be de-  
creased at least one-half without any  
loss in efficient service. The House  
is doing the same thing with equally  
good results. The legislative bod-  
ies will then be in better shape to in-  
crease on reducing expenses wherever  
possible in every State Department  
and institution. Will they do it?  
The public wants to see.

**Many Changes Expected**  
Many department employees are  
much perturbed now about their  
positions, for there are rumors of  
many changes and economies at the  
State capital. One of these is that,  
as a help to the relief of the unem-  
ployment situation, married women  
whose husbands are employed or able  
to take care of them will not be em-  
ployed or retained in State positions.  
It is said that this will affect many.  
It is not contended that married wo-  
men are inefficient, but merely that  
where others are as capable the pub-  
lic job should be scattered in a way  
to help the greatest number of  
people.

Every new administration has  
favorites whom it is anxious to serve  
or to reward, and it is but natural  
that those coming into office should  
want about them as helpers those  
whom they personally know to be  
capable or whom they wish to com-  
pensate in some way for political or  
other favors, and many must be dis-  
charged to make way for them.  
Truly, this is a period of unrest  
around Austin and in other places  
where the State pays salaries.

**Mercedes Building Plan**  
To encourage building, the town of  
Mercedes has passed an ordinance  
providing for city tax exemption of  
new structures for a period of two  
years. The city school board will be  
asked to do the same thing. Coinci-  
dent with this action, one building  
company has announced it will begin  
the erection of 10 buildings soon  
after January 1. The idea is not  
new, St. Louis County, Mo., having  
had such a tax exemption for 40  
years, but Mercedes is the first Tex-  
as city to try it.

**Increasing Pasturage**  
In many sections of Texas land  
owners are beginning to see that they  
have been putting too much land into  
farms. The small profits realized the  
last few years from farming is caus-  
ing them to increase their pasture  
lands largely. This is especially true  
in those counties where soil fertility  
has been exhausted by continuous  
cropping. Land planted to suitable  
grazing crops on which cattle, sheep,  
hogs or chickens are run is proving  
more profitable than if closely farmed.  
The extension department of the  
Texas Agricultural and Mechanical  
College at College Station, Texas, is  
prepared to give much helpful advice  
on this subject.

**Rice Straw Used**  
United States Army camps, and  
especially at San Antonio are con-  
sidering the use of rice straw, now  
largely a waste product, for bedding  
hay for their horses. The rice grow-  
ers say they will bale the straw and  
make it available for market if as-  
sured a market and Army officers  
say they would contract for rice  
straw if sufficient quantities are as-  
sured. There are 150,000 acres of  
rice grown in Texas, from which  
about three-fourths of a ton of straw  
is produced to the acre. At only \$6  
a ton this would add about \$680,000  
a year to the agricultural wealth of  
Texas. Rice straw is also of value in  
making certain grades of paper.

**Mexico Protects Cactus**  
Recently this columnist referred to

the possibility of entirely denuding  
Texas pastures of certain types of  
cactus noted for its beauty of form  
and flower. Truckloads of large  
loads are being marketed, largely in  
other States. Foreseeing the possible  
destruction of many of the loveliest  
species, Mexico has passed laws pro-  
hibiting its exportation except for  
scientific purposes, and does not al-  
low it to be gathered from January 1  
to July 1, certain exemptions being  
made to citizens of known poverty  
for the purpose of collecting and sell-  
ing small quantities of edible cacti  
fruits.

**Army Camp Construction**  
Senator Morris Sheppard, after a  
recent inspection of the progress of  
Army camp construction work at San  
Antonio, will recommend a \$1,000,-  
000 appropriation for immediate use  
in hurrying it up. Congress recently  
appropriated a fund for construction  
over a period of years, but Senator  
Sheppard thinks that present condi-  
tions of the camp and the general  
need for employment justify rushing  
the work to completion this winter.

**Real Estate Activities**  
Mason is among the Texas coun-  
ties, in which real estate activities  
do not justify complaints of hard  
times, several large sales of unim-  
proved pasture lands having been  
made there recently at from \$25 to  
\$29 an acre. Mason has been without  
a railroad, but will bet its first line  
before the end of 1931.

**Equalizing Taxation**  
The Santa Fe is refusing to pay  
\$900,000 taxes in New Mexico on the  
ground that the railroad is assessed  
85 per cent of its actual values  
whereas other property is assessed  
only from 35 to 50 per cent of its  
values. This may result in an entire  
readjustment of an antiquated taxing  
system in New Mexico and other  
States, including Texas. Railroads are  
also complaining vigorously that  
through bond issues they are com-  
pelled to pay taxes to build and main-

tain highways for the use of their  
traffic competitors.

**Wasteful Neglect**  
The State Board of Control has  
brought \$300,000 worth of fresh and  
cured meats for State institutions for  
three months from December 1.  
Texas has thousands of acres of rich  
farm and pasture lands on which it  
could grow its own meat. Evidently  
Texas is a mighty poor farmer and  
practices little economy in its family  
living expenses.

**Legislative Pay Increased**  
The Attorney General's Depart-  
ment has ruled that under the re-  
cent constitutional amendment the  
pay of Texas legislators will auto-  
matically be increased from \$5 to  
\$10 a day. It has been contended  
that with better pay the State would  
get better work, and the people are  
hoping this may be true.

It is better to be silent and be  
thought dumb than to speak and re-  
move all doubt.

THE GREEN TAG.

Will R. James, formerly a merchant of Galveston, is preparing to open up a dry goods and clothing store in the building formerly occupied by the Piggly-Wiggly store.

A ranch house on the Turner place on the upper Hondo was destroyed by fire early Monday morning. We have not been able to secure details, but understand Mr. Turner lost heavily.

The body of Leslie E. Rudell, who died at Bedford, Pennsylvania, arrived here this morning and was conveyed to Tarpley for burial. We are informed that he was a son-in-law of Mr. C. J. Leighton of Tarpley.

LUTHERAN COLLEGE CHOIR CONCERT.

The St. Paul's Lutheran Church of Hondo sponsored an entertaining musical hour, Friday night at the high school auditorium, when the Seguin Lutheran College Choir was presented in concert. County Superintendent W. N. Saathoff was master of ceremonies and introduced the Choir which rendered an exceedingly good program of instrumental and vocal music. The members of the Choir were appropriately dressed in choristers' robes. The program was closed with an interesting address by Mr. Krausbaar, president of the College. Only standing room was available as an unusually large crowd was present.

FIDELIS CLASS.

The Fidelis Class met with Mrs. H. J. Meyer, Friday afternoon, December 5th. After a short business session, Miss Bertha Newton ably conducted the Bible study. A delightful social hour was spent after which Mrs. Meyer served a delicious lunch, consisting of chicken and pineapple salad, saltines and hot cocoa to the following guests: Mesdames J. R. Chancey, P. E. Lancaster, Lesley Holloway, Bailey Rogers, Tom Stanley, Theo. Cameron, Mary Brucks, F. H. Schweers, Alfred Schweers, and Misses Lora King and Bertha Newton.

T. E. L. CLASS.

The T. E. L. Class held its monthly meeting in the home of Mrs. Joe Dillon, with Mrs. Dillon and Mrs. J. Earnest as joint hostesses. Business was discussed and followed by a social hour. Delicious refreshments were served to the following ladies: Mesdames F. L. McWilliams, E. W. Meister, I. L. Bedell, E. E. Cureton, Robert Kollman, W. T. Crow, J. M. Mulcahy, W. C. Scott, N. J. Earnest, M. Beal, Andrew Schuehle, H. C. Hyatt, and Miss Fanny Carle.

The Anvil Herald's phone No. is 127. Use the phone when you need job printing or advertising and for will be waited on by a representative of the paper.

PLAN TO ATTEND ALL-STAR  
FOOTBALL GAME.

From The Owl.

Start making plans now to go to  
Harlingen for the football game on  
New Year's Day between the All-  
District team of District 26 and the  
Valley All-Stars. A special train will  
leave here December 31 and arrive  
in Harlingen on New Year's Day.

The Battle of Grapefruit is an an-  
nual celebration of the Valley and  
every year the Valley All-Star team  
opposes a picked team on New Year's  
Day. This is the first time that a  
team from this district has been  
honored with an invitation to play  
at this celebration.

The executive committee for this  
district is composed of E. D. Kincaid  
of Uvalde as chairman, W. E. Wat-  
son, also of Uvalde and J. G. Barry  
of Hondo. This committee is work-  
ing on plans for the chartering of a  
special train for the 200 to 300 fans  
that will accompany the District 26  
stars to the Valley. Further informa-  
tion as to rates, times, etc can be ob-  
tained by addressing any of the com-  
mittee members.

The valley players wear green jer-  
seys with their number on the front  
and a large grapefruit on the back.  
As yet, no name, color or ensemble  
has been selected for this District  
and all suggestions are gladly re-  
ceived. The name should be repre-  
sentative of the whole district and  
boost the country included in Dis-  
trict 26.

HONDO DEFEATS CRYSTAL.

Hondo defeated her ancient rival  
and avenged the defeats and ties that  
have been handed her by Crystal City  
during the last three years by down-  
ing the Crystal City team 30 to 0 in  
the game played at Crystal City.

Crystal City put up a good fight  
for the first half and allowed the  
Owls but 6 points, but in the second  
half the Feathered Flock of Hondo  
piled up the score. The second team  
played the fourth quarter and several  
of the reserves made real good show-  
ings.

DO YOUR CHRISTMAS DECORAT-  
ING EARLY!

Such is the slogan of the first  
seven grades. Poinsettias, red and  
green chains, Santa Claus, and all  
other decorations representing the  
Yuletide season are seen in the  
various grade rooms. The grades are  
to be complimented for their work,  
which is very pretty.

HONDO BOY TRAVELS SEAS.

Tony Windrow Works Way to  
Europe.

Tony Windrow, architectural stu-  
dent, recently returned from Europe,  
has been sailing the seas as a member  
of the crew of the "Winston-Salem"  
and of the "Western Queen," Lykes  
Bros.-Ripley's Cargo Ships, having  
made all told three trips on the run  
to France, Holland and Belgium.

He reports a wonderful experience,  
both for having made his own way  
around (being on his own) and in  
that he was able to see much of  
European life, architecture and art.

Mr. Windrow left here last Febru-  
ary for Galveston, where he boarded  
the "Western Queen" and sailed to  
Havre, France; thence to Rotterdam,  
Holland, and lastly to Antwerp, Bel-  
gium.

He says: "I think that in every  
young person's imagination, as well  
as those older, there lies the desire  
to see the world and for those who  
are unable to finance a student tour,  
there is the route of working on  
cargo-ships on a regular run out of  
the Gulf and East Coast.

"After you get a position aboard a  
ship, the work is technical but not  
hard and easily learned. Under the  
present economic depression, the un-  
employment of many, many seafar-  
ing men makes it hard for the in-  
experienced to get such jobs. But  
when commerce is good, it is not at  
all difficult to make a trip.

"I found all types of men on these  
merchant marine vessels—bums, ex-  
doctors, (derelicts of the war), ex-  
navy men, ex-soldiers, foreigners get-  
ting citizenship papers, ex-salesmen,  
college boys and the professional sea-  
men whose people were seamen be-  
fore them.

"The life of the sailor is one of  
extremes. Three weeks on the water  
out of the Gulf to Europe, he lives a  
routine life while crossing the  
ocean, standing his "watches" of four  
hours duty, and eight hours "below"  
(or in living quarters). The reaction  
when he gets in port would startle  
the Statue of Liberty! The excite-  
ment, bustle and emotion is very  
near that preceding a championship  
football game.

"Each sailor picks a "shore-part-  
ner," and off he goes to see the  
town—and the traditional number  
end up in the cafes or bar-room. This  
reaction comes naturally as a result  
of having lived a life of confinement,  
in dangers of storms, fog and injur-  
ies. Yet the percentage of "ships in  
distress" must be small considering  
the thousands of vessels which make  
trip after trip, cover thousands of  
miles of water, in and out of port,  
with only minor accidents.

"The all-powerful seas; the mys-  
teries of international commerce, the  
navigation and manning of the ever-  
prowling ship to its destination, the  
strangeness of foreign civilizations,  
the beauty and picturesqueness of the  
old world, the contrasts of the life in  
different countries—all hold a fasci-  
nation that escapes expression in  
words.

"I love beautiful Brussels, capital  
city of Belgium. Its famous "Royal  
Art Museum," its lovely medieval  
churches, and wonderful parks, build-  
ings and culture. Antwerp for its  
ancient Cathedral, whose famous,  
majestic tower stands sentinel over  
the busy city and whose massive  
structure guards the treasures and  
sentiment of ages past. Havre for  
its picturesqueness, a city built on  
the side of and at the foot of a huge  
cliff, colorful and time worn. Rot-  
terdam for its cleanliness, healthy  
people, green-banked canals and  
brick buildings.

"Both Antwerp and Rotterdam are  
reached by rivers, swifter and more  
narrow than the Mississippi, and the

landscapes seen from the ships as you  
go up the rivers are marvelous; es-  
pecially that of the River Maass lead-  
ing to Rotterdam—old wind mills  
(gradually giving way to modern ma-  
chinery), green pastures, quaint  
farm houses, colorful villages and  
well ordered canals and dykes.  
"I plan to return—someday!"

FRA DIAVALO.

From The Owl.

The Girls' Glee Club will entertain  
the public with the Opera, "Fra Dia-  
valo" December 18. This is the first  
opera presented in Hondo for many  
years. Everyone who enjoys music  
should be present at this splendid en-  
tertainment. The opera is under the  
direction of Mr. Ed Armstrong. All  
the Glee Club girls are doing their  
best to try to make it a success. If  
you enjoy music, why not be present  
at the High School Auditorium De-  
cember 18?

## NEW FUR LAWS.

The protected fur bearing animals and their pelts are the property of the State until they have been lawfully taken, taxes paid thereon and all other regulations and laws complied with.

The period of time when you may lawfully take badger, civet cat, fox (in certain counties), mink, opossum, skunk, raccoon and ringtail is during the months of December and January of each year. Fur bearing animals may be taken with traps, guns or dogs in the county.

A tax must be paid to the Game, Fish and Oyster Commission on fur bearing animals taken. This tax is 1 cent for each pelt, with the exception of minks and raccoons, on which one must pay a five cent tax for each pelt of that kind.

Tax receipt tags may be procured from the local game warden, or direct from the State Game, Fish and Oyster Commission at Austin.

The trapper must attach a tax receipt tag to each pelt before he offers it for sale. When a tag is attached to each pelt the trapper must write thereon the date he tagged the pelt.

It is unlawful for any trapper to sell, or to offer to sell, any pelt of a fur bearing animal on which he has not placed a tax receipt tag.

It is unlawful for any dealer to buy, or to offer to buy, any pelt upon which this tag has not been placed.

A trapper may purchase any number of these tags for use on pelts legally taken.

Pelts caught here during open season may be shipped at any time, providing they are properly tagged.

The possession of undried pelts fifteen days after the close of open season shall be prima facie evidence that such pelts were taken out of season.

A trapper is any person over 17 years of age who takes or attempts to take, the pelt of any fur bearing animal for the purpose of offering such pelt for sale.

A person who takes fur bearing animals for any means for purpose of offering same for sale or barter must procure a trapper's license, a hunting license does not authorize one to take furs.

The fee for a resident trapper's license is \$1.10.

Dealers must procure a license before buying furs; the cost of this license is \$5.50 for resident dealers; non-resident dealers \$50. Dealers are also required to make a sworn report to the State Game Commission, stating number of furs shipped out of State, if he ships. (See Game Laws.)

It is unlawful for any person to possess or to receive, or to transport, or to have for the purpose of transporting, or for the purpose of turning loose, or to turn loose, or to cause to be turned loose, any live wolves within this state.

Your game warden is a friend placed here by the state to aid you in protecting the game, so that it may not become extinct. These game laws were created by the State Legislature; your game warden has nothing to do with their being formed but he is bound by oath to see that the game laws are enforced.

## MAGAZINE IS PAL OF BOYS.

Those boyhood years between the ages of ten and twenty are the impressionable years—the formative years when the fundamental character of a boy is molded into the pattern it will maintain throughout the remainder of his life.

That is why so much importance is placed on the factors that govern the lives of adolescent boys—their companions, their environment, their reading, the food they eat, etc. At this age is determined whether the boy will develop into a cheerful or surly man, generous or selfish, intelligent or dull, ambitious or indolent.

School teachers, librarians, Scout leaders and others engaged in boy activities have found that The American Boy-Youth's Companion magazine is one of the most favorable influences a boy between ten and twenty can have. Its stories and articles are a force for good—whole-some, alive, inspiring.

The million or boys who read this magazine every month consider it their closest friend. In it they find the keenest entertainment, adventure, mystery, athletics, aviation, humor, everything that delights a livewire American boy. Its sports articles by famous coaches and athletes help boys win places on their school teams. Its professional articles and biographical sketches aid them in selecting their life's work. Its keenly analytical editorials guide them in their daily problems.

County Judge,  
Medina County, Texas.

## HIS TORICAL NON SENSE

From The Owl.

Christopher Columbus grew up to be a sailor in spite of the fact that his father wanted him to be a lawyer. He couldn't help growing up and he was too honest to be a lawyer, so his pop had to give in and let him be a sailor.

Columbus wanted to discover something so he decided to discover America. The trouble with Columbus was that he did not have enough money to get there. He sold his car and pawned nearly everything he had but he still lacked enough money to buy some boats. Finally he went to see the queen about some money, but she was broke too. She wanted Chris to discover something though, so she sold some of her jewelry and bought him some boats.

Well, Columbus started for America with three boats. He took the wrong road and got off schedule. After sailing for years he finally saw a light and headed for it. He never reached America but he got to Cuba where he was given a real New York welcome. Thousands of people were waiting for him and Mayor Hiawatha gave him the key to the city. Columbus had made the first east to west crossing of the Atlantic Ocean.

While in Havana he built a cigar factory and started the tobacco habit all over the world. Of course the king of Spain didn't like that so he had him put in jail.—Exchange.

## POLITICAL ANNOUNCEMENT.

### TO THE VOTERS OF COMMISSIONER'S PRECINCT NO. 2.

I hereby respectfully announce myself as a candidate for the office of County Commissioner for Precinct No. 2, at the special election to be held on December 30, 1930.

If elected I promise that I will faithfully and impartially discharge the duties of said office to the very best of my ability.

Your vote and support will be greatly appreciated by me.

Very truly yours,

H. J. BIPPERT.

I hereby wish to announce myself as a candidate for the office of Commissioner of Precinct No. 2, Medina County, at the election to be held on December 30, 1930, to fill said office made vacant by the sad death of my husband, A. H. Tondre, who had been re-elected to said office for the term commencing on January 1, 1931, at the General Election. Your vote and support will be greatly appreciated. And if elected, I promise to faithfully perform the duties of said office to the best of my ability.

MRS. A. H. TONDRE.

In view of the special election to be held December 30, 1930, to fill the office of Commissioner of Precinct No. 2 for the term beginning January 1, 1931, I hereby announce myself as a candidate for said office and respectfully ask for the votes and support of all voters of the precinct, pledging if elected to give my very best efforts to a faithful and efficient discharge of the duties of the office.

Hoping to receive your favorable consideration, I am,

Yours to serve,

ROBERT RIHN.

To the voters of County Commissioner's Precinct No. 2. Yielding to the solicitation of my friends, I have decided to become a candidate for the office of County Commissioner for Precinct No. 2, of Medina County, Texas, for the term which begins on January 1, 1931.

I wish to say to the people of said precinct that I will greatly appreciate your support and vote at the election to be called. And I promise, that if elected, I will faithfully discharge the duties of the office, to the very best of my ability.

Very sincerely,

ROBERT L. BURELL.

## BAPTIST BADGER BITS.

### BADGERS WIN MATCH GAME.

Baptist Badgers played a picked team of ex-Badgers and high school players Thursday night and won 29 to 23. The game was fast and hard fought and marked with brilliant playing at times.

The Badgers apparently are improving their defense as the Exes were held to 11 points for the last three quarters. Nice passing by Roy Schweers and Tony Taylor led to a number of tallies being made by the Baptists. August Finger played the best game for the losers, doing good work on both offense and defense.

Shooting honors went to Jones with 14 points. Stanley of the losers came second with 11 points.

The line-ups were:  
Badgers (29) (23) Exes  
Schweers, 4 5, Wilson  
Taylor, 2 11, Stanley  
Bailey 2, B. C. Rucker  
Jones, 14 3, Finger  
Snooks, 9 1, Mask  
Subs: Exes; E. Taylor (1) and L. Rothe.

Score by quarters:  
Badgers 4 12 8 5—29  
Exes 12 6 3 2—23

### YANCEY DEFEATS BADGERS.

By staging a rally in the third quarter Yancey High School defeated the Hondo Baptist Badgers Monday night on the Hondo court 25 to 21. The Badgers' offense, what little there was to it, was completely smothered by the Yancey team.

The game was a real thriller and only once were the teams separated by more than four points. The Badgers took the lead in the second period and were three points ahead at the half. At the opening of the third period the Tigers started with a rush that secured several crisp shots, which spelt defeat for the Badgers.

The game marked the return of Ralph De Montel, Badger center, who made a good showing. He led his team in scoring and was second high scorer of the game with 8 points. Coy Berry was high point man with 9 points. "Neut" Burgin played a great defensive game for Yancey. Homer Rothe scored four points by making every attempted free throw.

Herbert Lamb, eleventh man on the court, turned in another one of his good games. Lamb called the game fast and accurately with few personal fouls being missed.

## The box score reads:

## BADGERS GET NEW PLAYER.

Thomas Taylor has been accepted as a member of the Baptist Badgers and will play with the team in the future. Thomas has recently returned from Baylor College, where he completed his first term's work.

T. as Thomas is popularly known, will be used as an utility player. Due to his height, he can play center as a reserve for Ralph Montel. The Badgers will be strengthened considerably now by having two tall players, one of which can be used as a forward to get crisp shots.

## BUSINESS SESSION.

Wednesday night the Baptist Badgers held a business meeting at the church study that was well attended and quite lively. Manager Fluker presided over the session and controlled the talkative Badgers very well. In spite of many interruptions the group accomplished a great deal.

One of the most important matters to be discussed was the awarding of sweaters this year. A committee to work out the details was named with B. C. Rucker chairman and Thomas Taylor and Carter Snooks committee-men.

Thomas Taylor, popular new member of the organization, was elected to fill the position of secretary-treasurer. T will take the office vacated by Leo Pettis, who recently moved to Brownwood.

Edward Taylor announced his intention of playing with the Badgers this season. Edward, by practicing will the all-district football team at Uvalde, will be unable to drill with the high school regularly until after New Year's and therefore has decided to join the Baptists. Edward lettered with the Badgers last season and will be a great help to the squad this season.

With the joining of Edward the Badgers have three members of Ray Taylor's family on their squad. The Taylors are Tony, fast developing reserve of last season; Thomas, ex-star of Hondo High School, and Edward.

It was decided that a member had to attend B. Y. P. U. two Sundays in a month to be eligible to play on the team.

## ALL-DISTRICT TEAM NAMED.

Hondo High School placed two men on the All-District team of District 26 that will play the picked Valley team in the Battle of Grapefruit at Harlingen on New Year's Day. Edward Taylor and Albert Haegelin, both backfield players, were the Owls that were honored by the coaches of the district.

Coaches Jimmie Green of Uvalde and A. L. Anthony of Del Rio were elected to train the District 26 team for the game and will drill the local representatives for 10 days prior to the game. The training session will be held at Uvalde.

Of the team of 25 players selected, the Uvalde Coyotes, district champs, had eight members chosen. Del Rio, runner-up for district honors, placed five, Sabinal four, Pearsall three, Hondo two, and Carrizo Springs, Crystal City and Catarina one each.

Players selected by the coaches to play on the all-star team are:  
Ends: Word, Del Rio; Johnson, Uvalde; Helmle, Sabinal, and Kimble, Catarina.

Tackles: Nunley, Sabinal; McBee, Del Rio; Lawrence and Pannell, Uvalde.

Guards: Watkins, Uvalde; Armstrong, Carrizo Springs; Taylor, Del Rio; Higdon, Pearsall; Adams, Del Rio.

Centers: Kimball, Pearsall and Riley, Uvalde.

Quarterbacks: Robinson, Uvalde; Walker, Crystal City and Weathers, Pearsall.

Halfbacks: Hunter, Del Rio; Hillis, Sabinal; Haegelin, Hondo, and Smith, Uvalde.

Fullbacks: Taylor, Hondo; Couser, Uvalde; McGinnis, Sabinal.

## SIXTEEN CANDIDATES FOR BASKETBALL TEAM.

### From The Owl.

The Hondo Owls had their first basketball workout of the season Monday with sixteen men reporting to Coach Barry. They were put through a light workout, with most of the time devoted to practice in passing and shooting.

There were six lettermen of last year and one of the 1928 season reporting along with nine rookies. B. C. Rucker, August Finger, George I. Wilson, Jack Droitcourt, Edward Taylor and Durwood Stanley were the last season players turning out, while Don Windrow was the other veteran to report. The new-comers were Frank Rucker, Gene Ulbrich, Charles Langfeld, Fritz Leinweber, Bradley Bailey, Lawrence Rothe, Jack, Edward Armstrong and Robert Reynolds.

Windrow will not work with the squad until the doctor says his ankle, dislocated during the football season, is strong enough to stand the strain that will be placed on it.

Hondo has a world of material to form its team from this year and the coach will have some difficulty in thinning the team to ten men. The competition is so strong this year that not even the lettermen can be secure of their positions.

County honors and the right to play in the district lies between the Owls and Yancey High School. If the Owls will train and develop an ability to play on dirt courts they will win the championship. Hondo will win all her county games at home and will very likely defeat Devine at Devine. When the Owls go to Yancey their real test will come. The Tigers of Yancey will have an advantage and will probably win the game. A third game will be necessary and the court on which the game will be played will determine the winning team.

Yancey High School has the same team back that played last year with a much stronger second team. The Tigers have not shown the same fine passing that they boasted last year and are not working for crisp shots as they did the previous season.

Coach Manton Ellis will have one letterman around which to build his Devine team this year. Devine can not be counted on to repeat for county honors this year, but Coach Ellis will put a team on the court that will not be a setup for any team.

## FOOTBALL BANQUET PLANNED FOR SATURDAY.

### From The Owl.

Mr. Barry has been advising the football boys to make their dates for the Football Banquet for some time. The date of this super mellow, gorgeous affair has now been set for Saturday, December 13. It will be held at the Lions' Club Hall. Plans for the complete success of this banquet, the climax of a football season, are being worked out so that the football season can be brought to a fitting close.

Events of importance on the program will be the election of the captain of the football team for next season, speeches by coaches, players and guests of honor and announcement of awards. As in all true football banquets the coaches and some of the players will be called on to rise, and blush, and spout oratory. There will be plenty to eat, also, so Jack Mask and Ye Editor will not have any kick coming.

## FOOTBALL SEASON A SUCCESS.

Hondo High School has a successful football season for 1930 by winning seven games, tying one and losing but two. The Owls rolled up 249 points against their opponents' 60.

The season record of the Owls is:  
Hondo 63 ..... Somerset 0  
Hondo 20 ..... Floresville 0  
Hondo 19 ..... Peacock 7  
Hondo 6 ..... Uvalde 20  
Hondo 40 ..... Lytle 0  
Hondo 18 ..... Catarina 0  
Hondo 0 ..... Sabinal 0  
Hondo 0 ..... Pearsall 26  
Hondo 53 ..... Devine 7  
Hondo 30 ..... Crystal City 0

## PEARSALL DEFEATS OWLS.

Hondo was defeated in her last game of the season by an inspired Pearsall team 26 to 0 at Pearsall. The Owls held Pearsall to no score the first half but the Mavericks went on a stampede in the second half and went across for four touchdowns.

## P. T. A. MEETING.

The D'Hanis Parent Teachers As-

sociation met at the school house Friday afternoon, December 6, Mr. Fred Rock, president, called a meeting to order and after the routine the treasurer reported a balance of \$75.50 cleared at the Hallowe'en Party, October 30. With the amount previously on hand and after paying a few bills, there is a balance of \$85.64 in the treasury.

The president reported that programs for the Medina County Club, to be held here December 3, were being printed to be sent to different locals of the organization. She also appointed committees complete arrangements for entertaining the visitors.

Miss Carrie Langfeld reported that an entertainment with a Christmas Tree is to be held Friday afternoon, December 19. She invited the parents to be present. The club voted to fruit and candy to be given the children as a Christmas treat.

The names of Mrs. I. F. A. Misses Lena Saathoff and Viola Koch were added to the membership list.

## SCHOOL NEWS.

Friday afternoon was given over largely to athletics in the public school. Miss Griffin, coach of the volleyball team, took her girls Yancey for their first game. All girls had to report was that they had a good time, since Yancey did not all of the scoring.

Mr. and Mrs. Scott took the boys and girls' indoor baseball teams Utopia for two games. The girls D'Hanis lost to the girls of Utopia a score of 4 to 2, while the D'Hanis boys won a 12 to 9 victory.

All of the games were well played and the spirit of good sportsmanship and fair play was revealed throughout the day. We especially appreciate the courtesy shown us by rival teams.
